Oklahoma Invasive Species Conference
Friday, December 1, 2023
Lake Arcadia Education Center

Event Host

Our Mission: Facilitating education and management for protection of our economic and natural resources.

Your sponsorship will help provide an opportunity for the exchange of ideas, practices, and knowledge to help our state tackle the growing problem of invasive species that are effecting our natural area, agriculture, and economy. Your financial support will allow us to keep registration costs down for students who are the future of conservation in Oklahoma.
